Amai is one of the few models who has done DP in our mag.

DP Divas

Dear Virgin Territory,

Thanks for the bonus photo of Alyssa's great-looking pussy and butthole in the July '12 issue. I wish I could lick, sniff, suck and touch her pussy and asshole instead of just look at them. You were right, her layout in the April '12 issue was great. She looks real hot in pink and red. I really love the way her butthole opens up for easy tongue, finger and cock penetration in the photo on page 35. I would love to be her Valentine. It would be great to have a lot of doggie-style sex with her.

Is Alyssa going to do a triple penetration layout pretty soon in *18eighteen*? Sounds like she really wants to have a fourway with three guys. Have you ever had a gal do double or triple penetration in *18eighteen*? Alyssa would probably look real hot with a cock in each lovehole at one time. With her big pussy lips draped over one cock, her beautiful upper lips sucking one, while her ass is clamped onto a cock real hard.

I always thought Channell of the Jan. '10 issue would be a great gal to do a double or triple penetration layout with her great looking breasts, thick pussy and beautiful, delicious-looking backdoor pucker. But, Alyssa with her beautiful, big bottom lips and top lips would be a better triple penetration gal.

Have you noticed that Alyssa and Channell have a similar-looking kind of butthole with kind of an S-shaped or zigzag opening? I guess we could call their buttholes the zigzag style anus. Alyssa has a beautiful, bigger starfish and Channell has such a beautiful skin tone around the asshole. They both look so tasty and delicious. I would love to place them side by side in doggie-style position and lick away at them and have my own great threeway with these two hot backdoor cuties.–K.C., Anamoose, North Dakota

Dear K.C.,

In the Dec. '01 issue a model named Rebecca took on two cocks at once and received double penetration. Paola from the June '09 issue only fucked one guy, but got a toy put in her ass while there was a cock in her pussy. And the lovely Amai Liu also had a toy in her butthole while she fucked a cock.

Sexy Schoolgirl

Dear Virgin Territory,

In every issue there should be a model wearing a schoolgirl outfit. In the Aug. '12 issue I was so glad to see Allie In that little, plaid skirt. A white, button-down shirt and knee-high socks would have tied everything in nicely, but I can't complain. The tartan skirts are what turn me on the most, especially when they are super short. It would've been super hot to get an upskirt shot with Allie, where the photographer is kneeling on the ground with the camera pointed up her skirt.

It's funny; I have an ex named Allie, with the same spelling, too. The one in your magazine is hotter and has bigger tits, though. I can just imagine her squeezing them around my cock and sucking the tip. Allie also has a nice, pink pussy and butthole. They looks tight and clean, and I would love to bury my face in her cleft and please her till her girly juices are dripping down my chin. That asshole needs a rimming, too. It looks so good I can almost taste it!–J.K., Austin, Texas

Dear J.K.,

Tartan skirts are a big turn-on around these parts, and Allie certainly plays the part of a naughty schoolgirl well!

Beautiful Mystery

Dear Virgin Territory,

I really miss cute Sofia from the Holiday '08 issue. I have been a collector of your magazine for years, and no one

Allie's schoolgirl skirt is a turn-on, but the real treat is what's under it: a juicy ass.

Sofia is one of those models who had a regrettably short career.

has stolen my heart quite like Sofia. I'm sure you remember her. She really is my favorite model. To be honest, I sometimes buy other teen publications (yours is by far the best, though), and I see that lots of models are shared between your magazine and theirs. But I have never seen Sofia in any other publication. I have searched far and wide to find more of her, but alas, nothing. Not even on the Internet! I hope you know what a beautiful and rare find you have with Sofia. As much as I would like to see more of her, the fact that her presence is so rare makes me like her all the more. She is a beautiful mystery to me.–B.T., Brighton, England

Dear B.T.,

Believe us, we wish we had more photos of Sofia to share! We remember her well, as one as beautiful as she does not simply fade from our memory. Here's a bonus photo of her for you to enjoy. Sorry we don't have more to share!

Lusty Lil' Liz

Dear Virgin Territory,

Elizabeth is the ultimate flattie. I hope there is a corresponding video to her hardcore pictorial in the Aug. '12 issue, and that you put it in a movie. I own *Teen Rectal XXXams* and Elizabeth is stellar in it. Her squeaky, little voice really does it for me. For a teen lover like myself, she is the perfect, little fuckdoll. Those teeny, tiny tits of hers are just begging for a load of cum. And she is so tiny you can practically pick her up with one hand and toss her all over the place. Elizabeth looks like she is really having a good time as she rides that cock. You've gotta love a girl that loves to fuck! Thank you for consistently delivering horny hotties to guys like me!–L.L., Phoenix, Arizona

Dear L.L.,

There is a corresponding video to Elizabeth's hardcore pictorial in the Aug. '12 issue. You can log on to 18eighteen.com *to see it!*

Nude Wood Nymph

Dear Virgin Territory,

I am absolutely smitten with Jewel. Her pictorial is absolute perfection. She looks like a golden goddess with her blonde hair and the lovely autumn background. I personally love when you shoot models outdoors, especially when the landscape is as vibrant as the one in Jewel's pictorial. But it's nothing compared to her beauty. Her face could inspire sonnets and her small, bud-like breasts are beautiful. I find myself strangely attracted to her stomach. It's

Elizabeth's face reveals the truth: she loves riding big, hard cocks!

flat and soft and begging to be kissed. Her pretty vagina is also tantalizing. If I were ever to run into a wood nymp such as her I would do anything she said, including never returning to civilization if that's what she wanted! –J.F., Adrian, Michigan

Dear J.F.,

There's no denying Jewel's ethereal beauty. We knew readers would fall for her the second we saw her angelic face. If a woodland fairy like her seduced you in the woods, you'd have to be crazy to want to return to real life!

Fawna has a lovely pair of perky, milky-white titties.

Fawna's Flora

Dear Virgin Territory,

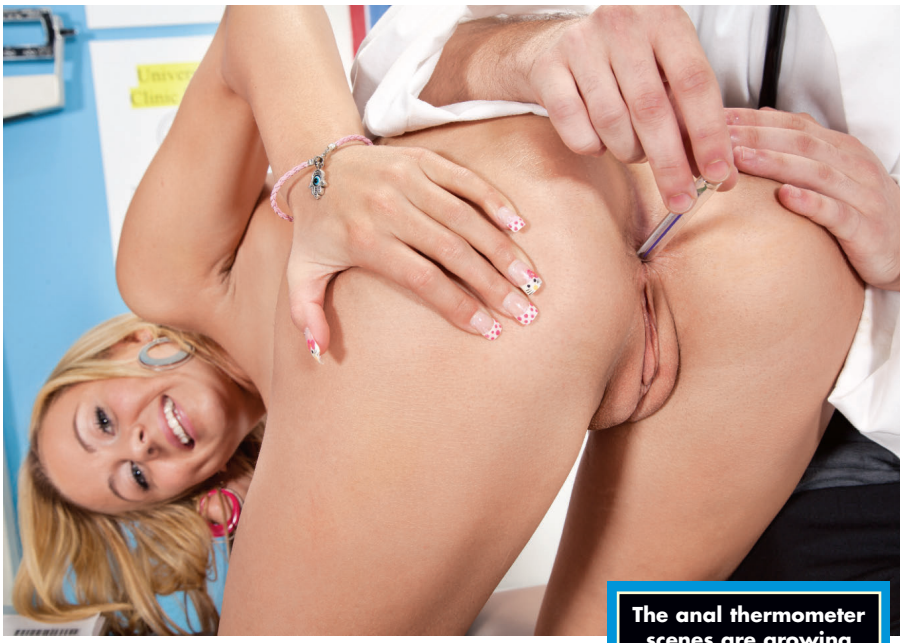

Fawna is absolutely adorable. I love her name and I love her bush. Her smoldering eyes burned right through me. I would give anything to bury my face in her soft bush and feel her pubes tickling my cheeks and nose as I lapped up her slit. I've noticed that pubes are making a comeback (which I am thrilled about), and all the girls who are interested in growing their bush out should take notes from Fawna. That is bush done right. Hers is nice and fuzzy and full without being too out of control. It's natural but maintained. As much as I like pubes, I don't like a full on jungle.

But back to Fawna. Man, what a cutie! I wish her pictorial was longer than 6 pages. But you still managed to

The anal thermometer scenes are growing on readers!

squeeze in fantastic photos of her pussy and butthole. The guy who gets to pop her cherry is one lucky son of a gun. While her pictorial was great, I do have a couple of requests if you ever run another layout of her. One, show a few full-body shots of her. Fawna has a great figure and I'd love to study every pale curve. Second, show her with a toy or some fingers in her pussy. I love the idea of a virginal babe like her making herself cum while thinking about what her first time fucking a cock would be like. And lastly, more of her tits. I love how pointy and perky they are. Hers are my favorite kind of tits. They're the perfect size, too; perfectly proportionate to her body.

Can I expect to see more of Fawna in the near future? Please say yes!–J.B., Seattle, Washington

Dear J.B.,

If you would like to see more of Fawna, we recommend checking out the April '12 issue of our sister magazine, Naughty Neighbors. *Fawna has a layout there.*

Warming Up to Anal Thermometers

Dear Virgin Territory,

The hardcore pictorial of Mae in the Aug. '12 issue was a scorcher. I have to admit, at first I thought the anal temperature theme was kind of weird, but now it has grown on me. I love teen assholes, but at the same time I'm not crazy about anal. Seeing a thermometer in there is a nice yet naughty compromise between the two. I just wish we could've gotten a closer shot of Mae's butthole so I could really examine it.

I must also commend you on all the great insertion shots of Mae. In just about every photo where she is fucking, you can see the dick going into her beautiful pussy clear as day. Those are my favorite kinds of shots. I don't care about the position or some minute detail. I just want to see the insertion as clearly and up-close as possible. Thank you for the full-page facial shot. She is a total hottie and her hardcore layout was everything I could have wished for.–R.T., via email

Dear R.T.,

We're glad that you've grown to like the anal thermometer theme. We know it's a bit unusual, but there were readers out there requesting it. And we couldn't have picked a better model to shoot this type of scene with than Mae (along with the other hotties in Teen Rectal XXXams.*) Here's a bonus photo of her. Enjoy!*

Little Sex Kitten

Dear Virgin Territory,

Thank you so much for bringing Caprice back. This little sex kitten gets my cock hard like no other. I knew it would only be a matter of time before

Summer
TOOL TIME TEENIE

Summer, what's up with the tools?

"You mean the ones in the shop or the one in my mouth? Well, the one I'm sucking on belongs to this guy who I have a crush on. He works in my dad's shop, and I've wanted his cock for so long."

BRAT
CHAT
HEIGHT: 5′3″
WEIGHT: 112 lbs.
BRA SIZE: 34B
BORN: June 8
LIVES: Washington

Why did you wait so long to fuck him?

"He always avoided me 'cause I was too young. But I'm 18 now and I'm ready to fuck. I came on to him and he was still resisting me, but that just made me want him more. Of course he could only resist for so long. Once I got him to suck on my titties I knew it was on. I finally got the dick I wanted so bad. I bobbed up and down his cock like the horny girl I am. His dick was so good he turned me into a dirty-talking slut. It was worth the wait."

Elle
GINGER
FLATTIE

Do you like your little boobs?

"I think they're cute. Sometimes I wish they were a little bigger so I could fill out dresses and tops better, but for the most part I'm okay with them being small. I think they fit my slender frame."

BRAT CHAT
HEIGHT: 5′7″
WEIGHT: 115 lbs.
BRA SIZE: 32A
BORN: Feb. 6
LIVES: California

How often do you wear a bra? All the time?

"A lot of the time, but not all the time. It depends on what I'm wearing. If I'm wearing a looser shirt I'll wear a bra 'cause I don't like the way it looks without one. Plus my nipples get hard and poke out in those kinds of shirts. But if I'm wearing a tight top or dress I usually won't wear a bra. It's nice, 'cause then a guy has easy access to suck my little titties."

Do you like cum on your tits?

"Yes. I like it when the guy shoots all over my face or my tits. Then I swirl his cum around with my finger and taste it. A couple of times I did that and the guy got so turned on that he was ready to fuck again immediately. Guys love to see girls loving their cum. But it's not an act with me. I really do love jizz."

Kylie
WISPY TENDRILS

Kylie, you're the only bushy girl in this issue!

"Really? That must make me special, right? The truth is that I'm usually the only bushy girl wherever I go. But that's okay with me. I like having something that makes me different. I feel more natural having a bush. I'm a low-maintenance kind of girl so it works for me. I didn't realize having pubes is such a big deal until the girls started asking me questions in the locker room. I thought everyone had a bush!"

What kinds of questions would they ask you?

"They asked me why I don't shave and if guys ever freak out 'cause I have a bush. They asked me what I do when I wear a bathing suit. Some of them even asked me if they could touch my bush! I thought that was strange, but I let them touch it anyway. One girl pet the top of my muff then let her hand slide down to my pussy crack, and she stroked me there. It really turned me on, and I didn't expect it to."

Did it turn you on 'cause you like girls?

"I'm not sure. I think it was mostly just that I liked having someone pet my bush. I've never had sex before, and I always wonder what it's like. That was really the first time anyone ever touched my cunny. I'd be open to fooling around with girls. I don't see why not. But I think I probably like guys the most. I'll let you know once I have sex."

FLIGHTS OF FANTASY

JOINING THE MILE-HIGH CLUB IS ALL BUT IMPOSSIBLE THESE DAYS UNDER THE WATCHFUL EYES OF THE FLIGHT CREW. BUT WHO'S KEEPING TABS ON THEM?

BY PAYTON PARKER

"To be honest," says Brigette, 24. "I prefer the term 'stewardess,' even if it's considered old-timey or sexist. It's just sexier. It reminds me of that time when air travel was considered glamorous and the girls serving drinks were more businesslike versions of the bunnies at the Playboy Club."

And if I'm honest, I'll admit that I agree. Years ago, in fact, I saw Leonardo DiCaprio in "Catch Me If You Can," and while his charming con-man was a bit of a dreamboat distraction to this younger, more innocent Payton, those beautiful willowy women of the sky, with their chic, little hats and sexy high heels, captured my imagination, as well. The stewardesses of old are little like the flight attendants we see on the planes today, but I'm happy to report that there is a small and growing contingent of secret gatekeepers for whom the tradition of the alluring, old-school "Coffee, Tea or Me?" stewardess is not only a fascination. It's a way of life.

I call them the Mile-High Illuminati.

Brigette, a relatively cerebral young woman, who considers herself well read as she spends a large amount of down time in airports, squeals with delight upon hearing it. "I'm totally stealing that!" she laughs, adding that "down time in airports" has a considerably different interpretation for women within the Illuminati's ranks.

In fact, she tells me as we sip Cuban coffee in Miami's sprawling airport, she's about to get back to work following a "layover" in the on-premises hotel. Wink-wink, another double-entendre. No wonder these angels of the air are so darn horny! They have an exceedingly sexy lexicon of slang.

The Layover

He was on the same late flight from Ecuador into Miami, a suave man in business class. His name was David.

"The front of the plane was almost empty," Brigette tells me, her cheeks turning pink from the memory–which is still very fresh. "There were only two other people, both of whom fell asleep almost immediately after take-off. I helped out a little in the main cabin but essentially he was my only 'customer,'" she giggles. "And we clicked from the moment we locked eyes. You could just tell there was a spark. We bantered a little as I poured his wine, we made each other laugh, and of course, as it always is with a flight attendant and a frequent flyer, he asks me where I'm headed after we land." She avoided answering. It's her usual policy, based in safety. "But then he let it slip that he was staying on-site at the airport hotel, asked me if it was any good–and so I made some recommendations about inane things, which rooms were nicest, where to have breakfast and so forth. And we had a really nice rest-of-the-flight. He was sexy and confident, and I was sort of hoping he might ask for my number or something–but he didn't. I was disappointed, but that's how it goes…."

Just as she was clearing the security area, however, a familiar face caught her eye: David. "He was standing there with a pretty impressive bouquet of airport flowers for the hour," she laughs. "And he wanted to know if I felt like having coffee. I figured if we stayed in the airport–what was the harm? We came here, to this very table, and spent a little more time talking." But, she says, it wasn't long before the obvious attraction between the two of them became an elephant in the room.

"I don't know what it was about him," she says, "but I knew he was okay. That if we went back to his hotel, it would be better than okay. Turns out he'd booked a phenomenal suite with a floor-to-ceiling view of the planes taking off and landing. When he sat on the edge of the bed, I figured I'd do my Mile-High credentials proud and give him a striptease with the tarmac as the backdrop."

Slowly, with music flowing from the iPod dock on the bedside table, Brigette began to peel off her uniform, using her rolling baggage as a prop. "I propped my ass on the edge of the bag, giving him a nice silhouette of my legs as I pulled the top over my head and tossed my neckerchief at him playfully, giggling." After the top came the skirt. Moments later she was standing in his suite, backlit by the runway in the intimate gray light of the room, in nothing but a white lace bra, matching panties and navy blue heels. She felt electricity coursing through her veins.

"I know it sounds lame, but even though it was a hot one-nighter and I know the odds of seeing him again are slim-to-none, there was something totally romantic about it," she says. David took her in his arms, still wearing his shirt, tie and slacks, and lay her down on the bed, kissing and licking every inch of her. "It was heavenly, the way he

rubbed and caressed my legs and feet after such a long shift, and when he pressed his hot mouth against the lace of my panties, asking if it was okay to taste me, I about creamed right there!" But she didn't want oral, despite the romance and tenderness of the situation.

"I told him I wanted to put my shoes back on, put my hands on the glass and let him fuck me from behind while we watched the planes come and go."

She didn't have to ask twice. David reached down and handed her her shoes. She sat up and kissed him hard, pulling at his tie to bring him closer, tearing at his shirt, springing his huge cock free of those $300 trousers and tonguing it past full attention and into the realm of granite-hard. She couldn't wait to feel it sliding up inside her to the roar of the jet engines.

Stalking over to the window, she knew she was nearly as tall as he. "I braced my hands on the glass and threw him an over-the-shoulder look–come-hither-and-fuck-me is what it said–and he immediately rose to the occasion."

Placing a firm hand on one of her hips, winding his other fist up in her barely-there panties, he nipped gently at her neck and right shoulder, rubbing his cock against her ass, teasing her as she had teased him, making her thighs slick with sugar and her cunny quiver with want. She bent forward a little more, pressing with her rear end, telling him she was ready, that she wanted him to take her.

And then, in one motion that knocked her breath out, her gentle businessman was pounding her, deep and hard, making her grunt and gasp. "My head accidently ponged against the window at one point," she says, "which made him stop to see if I was okay–which I was–and we both laughed, but then we got right back to business. The hottest thing, and I don't think he even noticed–was that I think a few of the guys on the runway were watching us. I couldn't make out their faces but I was sure to throw my head back and make the dirtiest sex-faces while he fucked me to give them a thrill in the middle of their graveyard shifts."

In a flash, David hauled her back to the bed, bending her over it and jamming his cock back inside, fucking her as hard as he could now, without her tottering heels or the window glass to worry about. "And it was the best wild fuck I've ever had," she says. "His cock was reaching places inside me I didn't know existed. I think he gave me my first G-spot orgasm, which shook my whole body and almost made me cry while I was saying his name. About a minute later, I felt his hot cream dousing my sweat-laden ass–and then he collapsed beside me on the bed."

When she woke up the next morning, he was gone. "He'd taken care of the room and left me to sleep," she says. "He left a note, but no business card."

"It's totally cool," says Brigette, who didn't expect they'd be reconnecting. "That's the thrill of what girls like us do, after all. It's all based on where you are, who's with you and the sort of magic that happens when you're just two people in transit."

Don't you "Lav" It?

When I was about 19, not too long ago, a beau and I were flying from New York to California and–kids being kids–decided to attempt a visit to the lavatory for a little mile-high fun. In hindsight, of course, it was a silly, irresponsible, hedonistic thing to do–but those are all part of the joys of being 19, aren't they?

In any case, our pre-flight plans for hot oral didn't even get off the ground. Half-a-minute after we wedged ourselves into the loo and managed to lock the door, there came a brisk, polite knock and a well-trained female voice politely reminding us that only one person was allowed in the lavatory at a time. FAA rules and all that.

Norah giggles as I recount my story. She is very slim, bi-racial and quite leggy for such a diminutive, little doll. Her sexy, almond-shaped eyes carry the beauty of her warm smile right into them. I detect a note of Asian in her heritage somewhere. In any case, she is an undeniable beauty.

And then, in one motion that knocked her breath out, her gentle businessman was pounding her, deep and hard, making her grunt and gasp.

"Yeah, that's a big no-no," she says. "And people try it all the time, of course. Everyone wants to get their wings in the Mile-High Club, and although I'm an ardent supporter, my job dictates that I must prevent it at all costs. Unless, of course, I'm feeling generous and want to sponsor a new member!"

"Meaning what, precisely?" I inquire.

"Meaning when I meet someone I find attractive and interesting and fun and might want to allow them entrance," she teases, pausing, "into the club, that is. And my absolute favorite method is the one you never got the chance to try. In fact, just a couple of nights ago I was on a red-eye and there was this man–really big guy, probably six-foot-five or so, sitting in the bulkhead seat of coach. He was a giant and that's a huge turn-on for me. I noted the size of his hands when I gave him his soda. They were like dinner plates! I immediately imagined him cradling my tiny ass in just one of them, holding me up and lowering

me onto what I guessed was a cock that would match a man of his stature."

A five-plus hour flight and a relatively empty cabin left plenty of time for small talk, and when the big guy got up to hit the bathroom, Norah crept carefully behind him.

"Excuse me," she said as he tried to wedge himself inside the small compartment, "I know it's tight in there, but I think I can make it more comfortable…."

"…he was so shocked that he just sort of stood there and I slipped in and shut the door behind us, slithering around him and plunking myself down on the toilet in front of him. 'Do you mind if I join you in here?' I said, looking up at him. He had this look on his face like he was worried there was a hidden camera somewhere! It was funny. But at the same time I could see there was a huge–and I mean HUGE–bulge growing in those extra-tall Dockers he was wearing. He nodded at me and I unzipped him and seriously: I couldn't contain my gasp. His cock was a piece of meat! As hard as it was, it was so big that it didn't 'stand up,' you know what I mean? It was too big and heavy!"

Norah set her sights on it, feeling hungrier than ever as the 737 cruised at nearly 40,000 feet, and curled her tongue around the head of her passenger's massive slab of prick-meat. She gulped and slobbered, licking and sucking and grunting and enjoying every inch. "My little cunny was aching to fuck him, I swear!" she confessed to me later, "but the logistics and situation were impossible, so I was going to make it the best blowjob I'd ever given–and perhaps give myself a little something as a bonus."

The more she sucked and licked him, the deeper his cock fucked her throat, the more the scent of his clean, musky balls wafted into her pert nose, the wetter her pussy, the more distracting the pulsing in her hard, little love-nub.

"As his cock got harder, as his body grew more tense, closer to where I knew he was going to christen my tonsils with his man-spunk, the hornier I got. I reached down between my legs–thankful I'd decided to wear the skirt version of my uniform that day–and began to gently rub my clit. My pussy was soaking wet and starving for this big, thick cock; it was undeniable, and it had been so long since I'd had an orgasm. I knew it wasn't going to take long at all."

She gulped and slobbered, licking and sucking and grunting and enjoying every inch. "My little cunny was aching to fuck him, I swear!"

Norah wasn't sure he even he knew she was touching herself, but then she heard him. It was a barely audible whisper. "Oh, yeah, baby, let me see that little pussy. Can you hike that skirt up a little?"

Norah wiggled her tiny ass, working the skirt up to where he could watch her finger playing between her splayed lips, her hard, pink button protruding from the labia, with its soft smattering of silky black hair. He drew in a breath. "Oooooh, yeah, baby you have a pretty little pussy. I wish I could put my cock in there."

"He was such a dirty talker!" she squealed. "And I really do love that, so between that big, thick cock sliding in and out of my mouth and then him watching me diddle myself and then talking to me all nasty like that? I just started to cum out of nowhere. My lips closed around him and I started sucking like a machine, moaning softly with his dick in my mouth, and then it was on!"

He filled her mouth with so

Are you still a virgin, Rilee?

"I think you'll be glad to know that I've finally had sex. I just couldn't wait any longer! Do you know how hard it is to not have sex with a guy after he eats your pussy really good? Really hard!"

What was your first real dicking like?

"I was nice and warmed up for it from being fingered and eaten out. I was really horny and wanted it so bad, so I told the guy to just stick it in! It took him a couple of minutes to work it inside of me 'cause I was so tight and he has a big dick."

Are you like, totally addicted to sex now? Was it everything you'd hoped it would be?

"I want to have sex as often as possible. It is definitely everything I'd hoped for. It didn't even hurt or anything! I think that masturbating so much had something to do with that. And I think it really helped me to enjoy sex more. I knew how to make myself cum and all that stuff. But masturbating doesn't compare to the real thing at all! It's good when you're in a pinch, but sex will always be the best. I'm glad to say I know that for a fact!"

Mae, how do you feel about guys blowing their load inside your little pussy?

"At first I didn't really like it. I would always rush to the bathroom to let it drip out of me over the toilet so it wouldn't make a mess. But now I like creampies, especially when there's a huge load dripping out of me. To me, the messier the creampie, the better. When a guy shoots a ton of cum inside of me, it lets me know that he was really turned on, and that turns me on, too. The best is when the guy keeps fucking me after he already came inside me."

Mae

Why do you like guys to keep fucking you after they cum inside you?

"Because it gets so slippery from all that jizz dripping out of me and our juices mixing together. It just slips in and out so easily and then he can fuck me really hard. Most of the time the guy needs a break after he cums though. But there are few guys who can keep going and going without missing a beat. They're beasts! Those are my favorite kinds of guys 'cause sometimes I don't want to take a break."

Do guys ever cum too soon?

"It always feels too soon, even if it's been 45 minutes! It's like no matter how much dick I get, or how hard I'm getting fucked, I always want more. I'm insatiable. But yeah, sometimes a guy will cum in like two minutes. That doesn't bother me too much as long as he can get it back up and fuck me again."

HOT BODY CONTEST

Which *18eighteen* model has the hottest body?

We know that's a tough question to answer, so we've gathered up our hottest models published in 2012 to help you decide. Take your time scanning all the succulent, tender bits of flesh on these pages, and then vote for your favorite girl on page 61. We'll announce the winner in the May '13 issue. You have lots of different types of beauties to choose from, and we're sure it'll be stiff competiton (no pun intended). Whether you like skinny flatties like Jean, or more curvy sex kittens like Emily, we encourage you to pick whichever girl you're most attracted to.

Will sexy flatties beat out the B-cuppers?

We're genuinely curious to see how this one pans out! Flat-as-a-board cuties like Jessi, Trinity and Lexa definitely have their fans. But slightly bustier B-cup babes like Lizzie and Zoey have received lots of fanfare as well. Who will win? Stay tuned to find out.

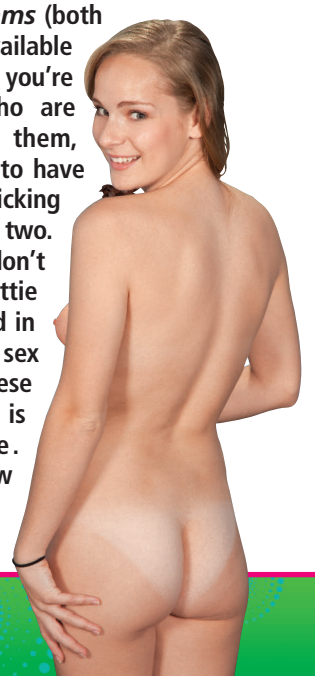

Mae and Emily are two curvy contenders with similar builds.

They're both blonde. They're both light-eyed and beautiful. Both of them have nice racks with big nipples, and fit curves. Emily shot her first ever hardcore scene with us in the DVD *Creampie Cutie Pies*. Mae did a horny fuck scene in the dick-jerking flick *Teen Rectal XXXams* (both movies are available on page 9.) If you're into girls who are built like them, you're going to have a hard time picking between the two. While they don't have the flattie figure revered in our mag, the sex appeal of these two models is undeniable. Let's see how they place!

Sadly, you can only pick one model!

We know. Looking at this spread, you're probably wondering how you're going to choose *only* one model. Alexis has a lovely face, a tiny waist and an incredible pair of perky tits. Brace-face Rilee has certainly made a name for herself in 2012 with those amazing breasts of hers. Caprice…words almost seem an injustice to her beauty. Alyssa just has something to her. It might be her tight, athletic body, tiny boobs or her big, juicy pussy lips. And Ashley is oh, so seductive with her bedroom eyes and slender body. It won't be easy to pick, but it sure will be fun to figure out who gets the most of your cum!

Please pick ONE model for the Hot Body Contest.

much cream she could barely swallow it as fast as it shot. "I had to get rid of some in the sink," she said. "I was afraid it would get on my uniform! And I never spit. I'm a devoted swallower," she giggles. "I actually felt kind of bad about it. But 10 minutes later, he was fast asleep in his seat with a satisfied smile on his face–so I got over it pretty quickly!"

The Cock Pit

Seems clichéd, right? The cock pit: where the pilots–presumably male–do muy, muy macho things as they control the movement of the aircraft and the lives of perhaps hundreds of people sitting squarely on their capable backs.

"Honestly," says Amelie, 22, "not too many pilots will admit it but aside from takeoff and landing the whole process is done mostly by computer. I've gone into the flight deck–that's usually what we call it, not the 'cock pit'–and seen guys playing Farmville on their phones or reading or whatnot. I think the flight attendants do more actual work than they do. But you know," she giggles–her boyfriend is a pilot–"we need them there in case of an emergency."

She collapsed gently to the floor just after, catching her breath with two beautiful cocks bobbing for attention just around her mouth.

These days, the blond and vivacious Amelie is happily monogamous, but the boyfriend is a relatively recent development. "And for someone who gets as horny as I get as often as I do–but who travels constantly–it was sort of a toss between two things: blowing through mutli-packs of C-batteries with my vibrator, which I did and still do, and trying to hook up as often as possible! Thing is, I'm not that into the random-stranger thing."

It was safer and more fun, she decided, to love the ones she was already with–literally!

"Getting to know the pilots was fun," she says. "I'm friendly; I'm genuinely interested in hearing about the hobbies, the cars, the war stories about work–even stuff about wives and kids! I wasn't looking for the love of my life, just an agreeable and attractive able body with generous ideas about woman-pleasing!"

Mostly, she says of her activity and the couple of regular partners she had, they'd trade off on lav trips. "I'd blow him one time, then a little while later we'd go back and I'd have my turn on his tongue," she explains. "If he was one of the slimmer, more athletic types, sometimes we could manage actual sex! But my favorite time was on a late flight, nearly empty, over the middle of the Pacific Ocean. The moon was coming through the windows and the instrument panels were lit up like stars.

"Bruce and Derrick were pilot and co-pilot that night. Derrick and I had been 'mile-high buddies' for a couple of months.

He was sexy and sweet and built and could get it up on command. Useful when you have to make short work of quiet opportunities in the middle of a flight! A real stud. Bruce, on the other hand, was nice but shy and quiet from what I knew of him. It was only our third or fourth flight working together."

"Grab a seat, love," Derrick said, and Amelie sunk comfortably into the third seat on the deck. "You look beautiful in the moonlight, my dear!" Derrick was a joker, a charmer, quick to compliment and always had a smile. It was one of the reasons

Amelie enjoyed his company. "Bruce, doesn't she look beautiful? Look at the silver light in her hair! You know, Bruce has a sort of crush on you…."

"I felt bad for Bruce," she told me, "Derrick was sort of calling him out, making him engage with me when he was clearly very shy and embarrassed. But as he looked at me I realized that he was really cute. And the shyness was a nice contrast to Derrick being so outgoing. For whatever reason, I felt compelled. As Bruce was still turned 'round and facing me, I motioned for him to come back and that was it–we kissed as I leaned back against the door to the main cabin."

The pair began making out. Amelie said he was a wonderful kisser, which got her panties damp and hot in seconds. Before she knew it, Derrick was on his knees in front of her, easing them down and her skirt up, burying his face in the small, blonde puff between her legs, his tongue snaking into her creamy crevice while she and Bruce continued to kiss.

She reached down, feeling Bruce's impressive hard-on pressed against her, and undid his zipper, pulling him free and stroking his cock while reveling in the sensation of Derrick's tongue coaxing her soaking pussy to the edge of ecstasy.

"It wasn't lost on me that we were hurtling through space. They were facing me and the door but each time I opened my eyes I was greeted by blinding moonlight on the surface of the clouds. It was surreal and beautiful. A truly rare moment."

Moments later, with one hand gripping Bruce's hefty cock and the other holding his broad, sturdy shoulder for balance, she came–squeaking softly, holding in the passion for the sake of their jobs–as her sweet cunny cream flowed like a river of warm honey over Derrick's eager tongue. She collapsed gently to the floor just after, catching her breath with two beautiful cocks bobbing for attention just around her mouth.

"It was a new thing for me, two men," she says, "but I felt safe and they were both so sexy and hard and I couldn't resist. I grabbed one in each hand and pressed the heads together against my mouth, licking and sucking one, then the other, being noisy and playful and really enjoying the

Welcome, Kandice. After a hard day at school how do you like to unwind?

"I like to take a long, hot shower and masturbate. My roommate used to get pissed because I'd spend so long in the bathroom, but now she leaves me alone because she knows it's my alone time, and I turn into a total bitch if I don't get to cum after a hard day. It's so relaxing to just be alone and play with my pussy."

Kandice
ALONE TIME

We know you go to college, but are you a working girl as well?

"Yes. I work at an upscale organic grocery store. I like it, especially since I'm a vegetarian and I get a discount on all their expensive healthy food. But I get really worn out dealing with customers and their stupid questions, which is why I need to come home and masturbate! Although, I do work with a lot of hot guys, so at least there's a lot of eye candy. When I get home I like to fantasize about them and pretend we're doing dirty things to each other."

What kind of things do you fantasize about when you masturbate?

"Feeling up on a guy's boner through his pants and feeling my pussy tingle 'cause it turns me on. The moment when I pull down his pants and his hard cock first goes into my mouth. The first thrust into my pussy. Stuff like that."

look of the two pilots, so handsome in their uniforms, hovering above me as I swallowed each of their lovely, throbbing pricks."

Amelie's favorite was kissing and licking both at once. "There was something devilish about it," she giggles. "Like I'd gotten two lollies from the candy shop and my parents didn't know. I felt naughty and self-indulgent in the most delicious way. I think it came across in how greedily I sucked at them and pulled and squeezed and the noises I made. Just a

few minutes more and I was drowning in the sweetest cream imaginable–like sucking the filling out of two scrumptious snack cakes–and I didn't miss a single drop.

"And the last bit–a make-out session alternating with two sexy pilots against the door of the cock pit–was like the ultimate fantasy, the tastes of all of us in my mouth, it was enough for me to whisper in Bruce's ear that I'd like to know which hotel he'd be at when we landed. I hadn't had enough of him just yet. I wanted a little more time and space."

But at that moment, Amelie had to straighten up and head back to business class for her duties.

"Our passengers can be even more demanding than our pilots, you know," she says rather cheekily. 18

Crystal, do you have a boyfriend?

"No. I haven't met anyone I like enough to be in a relationship with lately. Besides, being single is way more fun! I get to do whatever I want and I don't have to answer to anyone!"

Even though you're single, do you have a lot of sex?

"Not really. There's a bloke that I hook up with every so often, but that's about it. Good thing my trusty vibrator is there for me whenever I'm lonely! I feel randy pretty often, but I would never trade my freedom to have sex on a regular basis in a mediocre relationship. And even being single, I'd never fuck just any guy. I have standards!"

What are your standards then?

"Just for sex he has to be hot and have muscles, but not too many muscles. He has to be smart. I can't shag an idiot! He has to be able to make me laugh. And he absolutely has to be clean! In a relationship, I have to be able to trust him and know he's faithful. Basically all I want is everything!"

Emily, that's a very sexy outfit you have on.

"This old thing? The skirt is from when I went to an all-girl's private school. My boyfriend loves it when I wear it with stockings. He's so into the whole schoolgirl fetish. I don't really get it, but I do it 'cause he likes it. Whenever I dress up for him he bends me over and spanks me and eats me out forever."

Wow, you have some juicy pussy lips, Emily!

"Yeah, they stick out a lot. My boyfriend loves them. When we have sex he's always looking down at my lips wrapped around his dick. Sometimes when we're hanging out he'll play with my pussy for a long time. He won't even lick it or finger it–although it usually ends with that–he just admires it. I like that he gives my pussy so much attention. He's in his forties, so I guess that's something men get with age? 'Cause no guy my age has ever worshipped my pussy the way he does."

Does he make you cum?

"Before him I'd never had an orgasm before. So not only does he make me cum, he taught me how to cum. Now I'm an orgasm addict."

VIRGIN TERRITORY

Continued from page 8

she lost her virginity. A girl as hot as her probably has to beat the guys off with a stick. I noticed that in this pictorial she had more makeup on than in her first pictorial in the April '11 issue. Normally I don't like the models to be wearing any obvious makeup, but this look worked for her. She does appear more sexy and sultry with her makeup done, but she's still young and tender. It's like she went into her mom's makeup drawer and painted up her face so she could be some guy's little plaything. I like thinking about that, a teen girl trying on her sexuality for the first time by getting all dolled up.

From the looks of it, Caprice is getting ready to do hardcore. She's already mastered the "come fuck me" look. I know I wouldn't be able to resist if she shot that glance at me, even if I was in the middle of a store. Thank you so much for publishing Caprice. I hope to see her fucking soon.–W.S., Memphis, Tennessee

Dear W.S.,

We don't have any hardcore sets of Caprice, but here's an extra picture of her to quench your thirst. You can vote for her in the Hot Body contest on page 54.

Caprice is a hot piece of ass, and she knows it, too.

Horny Molly is one reader's dream-girl because of her looks and lust.

Fantasy Cum True

Dear Virgin Territory,

Here are all the things I want in a woman: blonde and beautiful, 5'5" to 5'9", slender, perky tits, long legs, a delicious, shaved pussy, loves to suck cock and is ready to fuck at the drop of a dime. I know that's a tall glass to fill, but I think I have found someone who meets all the requirements: Molly of the Aug. '12 issue. Now, that's not say in reality that I wouldn't settle for less, because I have and will. I'm strictly talking about my fantasy girl. But I feel so excited that a girl who meets all my requirements actually exists. Nevermind that I'll probably never meet her; I'm just thrilled that she's in your magazine and bares it all on-camera!

When I first saw Molly on the Aug. '12 cover I just had this feeling that the issue would special. And I was right. I had the longest-lasting boner ever, and I shot more loads than I ever have in my life. That's how I know Molly is my dream girl incarnate. I know this girl has got to do hardcore, and I can't wait to see her in action. She does do hardcore, right? A sex kitten like her can't just show her pussy to the world then not let us see what it looks like with a cock in it. This may be the closest I'll ever come to having my ultimate fantasy come true. Hopefully she shoots some videos with you too. I will buy her DVDs the second they come out, and I will probably have to buy more than one copy because the

disc will get ruined from me watching it so much. Well, all this talk of Molly has got me worked up. I'm going to go jack off and think of her some more!–R.B., via email

Dear R.B.,

Worry not; Molly does do hardcore! You'll be seeing her XXX photos in our magazine soon enough.

Sock It To Him

Dear Virgin Territory,

Vee from June '12 got my juices flowing. I love her knee socks. I think they are the cutest things ever. And her thicky, juicy thighs and ass turn me on. I'm sure after playing softball her feet must hurt. I'd love to rub them for her and suck her toes to make her feel better. I know you often do panty giveaways, but would it be possible to do a giveaway of dirty socks or shoes? I love to smell them.

Can you also please show more shots of girls' feet and soles? It wouldn't hurt to show a girl giving a guy a foot job in a pictorial either. That's make me so happy.–P.W., via email

Dear P.W.,

We will keep your request for more feet shots and socks giveaways in mind. In the meantime, here's a photo of Vee with the socks you liked so much! 18

Vee, tell us about the weird thing that happened at the doctor's office.

"Oh my god. Well, I went for a check up so I didn't expect anything out of the ordinary to happen. But then the doctor told me that they were going to take my temperature rectally! I was a little nervous, but a little excited, too. When I found out that the young intern was going to take my temperature instead of the doctor, I got even more excited."

Vee
HOT ASS

We're sure he did his job just as he was told to.

"He was very professional, but I wasn't! When he stuck the thermometer in my butt I got so horny. I told him to lick my ass! They couldn't put the thermometer in my mouth 'cause of my tongue stud. But just 'cause the thermometer couldn't go in my mouth doesn't mean I couldn't put his cock in my mouth. I sucked it till he was nice and hard then I let him fuck me on the examination table."

You are so bad, Vee!

"I know, but I can't help it! The second anyone touches my butthole I get so turned on. I was scared he might reject me but I had to at least try. And it payed off big time. He really knew how to use his tool!"

Where did he cum?

"All over my face! It was funny because he was hesitant to. I guess he wanted to be a gentleman. I had to convince him to cum on my face. That was a first! In fact, the whole situation was a first!"
